

Eco-Friendly Smart Water Bottle Product Brief

Target Audience: Eco-conscious urban professionals aged 20-40 in Indian Tier-1 cities (Mumbai, Bangalore, Delhi).

Key Features: Vacuum insulated 18/8 stainless steel, built-in UV-C self-cleaning cap, rechargeable battery, biodegradable silicone sleeve.

Price Point: ₹1,499 per unit.

Research Goals:

- Understand consumer purchase intent and willingness to pay ₹1,499.
- Determine preferred color variants (Matte Black, Forest Green, Ocean Blue, Rose Gold).
- Evaluate feature prioritization (Durability vs Health Safety vs Aesthetics).
